STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

I, Kenneth Forga, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Had eneft counsel, he never interviewed any of my witnesses, never brought up that I was in handcuffs in the police car during the search of my trailer. I was not present during the search. None of their money was ever found on me.

Additional Ground 2

I was never offered a dosa which I should have been. The warrant they served me was under someone's name which should have made the warrant invalid. also they couldn't see my motor home from their car through binoculars, there was too much stuff in between.

If there are additional grounds, a brief summary is attached to this statement.
